Instruction Manual

An unexpected journey!

In *LEGO® The Hobbit™*, Bilbo Baggins, Gandalf the Grey, Thorin Oakenshield and company embark on an unexpected journey to the Lonely Mountain. From the homely comforts of Hobbiton to the sanctuary of Rivendell, from the depths of Goblin Town to the perils of Mirkwood, the heroes must use all their skill and cunning to reach this lost dwarven kingdom in one piece.

Once there they must retake the dwarves' vast wealth, including the fabled Arkenstone of Thráin, from the fearsome dragon Smaug the Tremendous. However, they realize that they are in fact just pawns in a much larger game, as the sinister plot of the villainous Necromancer is revealed...

How to play

Character swapping

Different characters have different abilities. To switch characters, tap a character icon on the screen (touchscreen) or press **L** to cycle through characters.

Quests

Middle-earth is filled with denizens both foul and fair in need of aid. Whether it's ridding them of some gruesome goblins, or finding just the right costume to wear to a party, these folk will reward your efforts.

The background of the entire page is a fiery, orange-red lava flow. On the left side, there is a dark, metallic structure that appears to be part of a forge or a mine entrance, with some debris and small figures visible at its base.

Collectibles

LEGO studs – LEGO studs are scattered throughout the game. Collect them to spend on secrets and magical items.

Minikits – These can be crafted at the LEGO forge on the world map once a design has been collected. They can then be built on any LEGO minikit plate in the world map to allow you to customize your map with LEGO elements.

Red bricks – One level in every region will contain a red brick to unlock. Once forged, the red brick will unlock special abilities.

Challenges

Gold bricks – Each level contains 10 gold brick challenges. Try to complete them all!
